## Central Elementary

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2019-20 educational progress for Central Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Principal Christine Kuzinski for assistance.

The AER is available for you to review electronically by visiting the following website: <https://bit.ly/3jlQEah> or the district's website at [www.davisonschools.org](http://www.davisonschools.org), or you may review a copy in the main office at your child's school.

For the 2019-20 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given.

Our school has not been given one of these labels.

The key challenges for the school this year include the effects from the COVID-19 pandemic, including but certainly not limited to the challenges of teaching students virtually without having a chance to prepare students or staff prior to schools shutting down on March 12, 2020. The results have left many students behind academically. We are also very concerned about the fragile mental health issues that we are beginning to see in our students from the effect of the pandemic that has strained our families financially and emotionally. Of course, inequity in funding and constantly changing requirements and new legislation affecting public education continue to make it difficult for schools, from trying to establish ways to measure student progress with fidelity despite ever changing state assessments to the exodus of educational professionals into other fields and discouragement of promising young adults from pursuing educational careers.

We have several key initiatives in place to accelerate student achievement including:

- District and school improvement process and plans
- Advisory Curriculum Council (ACC) which uses the Understanding By Design model for the development and revision of all Davison Community Schools curriculum
- Standards Referenced Grading
- Data Days to review district and building student achievement and behavior data
- District and building Professional Learning Communities (PLC's) by Grade Level and/or Subject Matter
- Literacy Intervention Program which includes Literacy Specialist in our elementary buildings, screening and diagnostic assessments, Title I and at-risk (31a) funded paraprofessionals to help implement

## Central Elementary

- interventions and Individual Reading Intervention Plans (IRIP's) and specific intervention programs
- District Math Coach
  - Elementary Counselors
  - Quality Career and Technical Education (CTE) program
  - Advanced Placement (AP) program offering 12 AP courses at Davison High School.
  - Positively Engaging Partnerships—a “Parent University” series of parent education nights where the district brings in guest speakers to discuss topics suggested by parents.
  - Positive Behavior Intervention Support (PBIS) and Promoting Positive School Climate (PPSC) initiatives
  - Cardinal Code

State law requires that we also report the additional information:

### **PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL:**

The District is a “schools of choice” district in that there are no set school building boundaries within the district. Any child living within Davison school boundaries can attend any school within the district at the student’s grade level. Davison Community Schools also participates in the state of Michigan’s 105 and 105c Schools of Choice programs, which provides students living outside district boundaries opportunities to attend Davison.

### **THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN:**

In 2019, Davison Community Schools was awarded renewal of District Accreditation as a quality school system by the AdvancED Accreditation. Davison was one of the first school districts across the state to complete this rigorous process in 2009. Accreditation is a process that has to be renewed every five years.

### **A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL:**

All of our school buildings offer a quality education and are unique in their own ways.

- Davison High School: Houses approximately 1,700 students in grades 9-12.
- Davison Alternative High School: Specializes in credit recovery for students in grades 9-12.
- Davison Middle School: Houses seventh and eighth graders.
- Hahn Intermediate School: Houses fifth and sixth graders
- Central Elementary: First through fourth graders and the district’s gifted and talented program
- Gates Elementary—Houses first through fourth graders
- Hill Elementary—Houses Kindergarten through fourth graders
- Siple Elementary—Houses Kindergarten through fourth grades
- Thomson Elementary— Houses Kindergarten students

### **CORE CURRICULUM:**

The State of Michigan requires that all students enrolled in public school districts receive daily core curriculum instruction in language arts, reading, English, math, science and social studies. Davison Community Schools, being in full compliance with state requirements, offers daily core curriculum instruction

## Central Elementary

which meets or exceeds state requirements in all areas. The district has developed and implemented outcomes for kindergarten through 12th grades which reflect the state Core Curriculum guidelines. The content of these guidelines is based on “... an effective program which fosters the development of a well-rounded literate individual.” The district’s Advisory Curriculum Council, an ongoing group made up of board members, teachers, and administrators reviews each of the core areas on a six- to eight-year cycle. Additionally, student achievement is monitored in each of the five core academic areas by standardized achievement tests, teacher developed tests and MEAP test results. For more information or a complete copy of the Michigan Department of Education’s Model Core Curriculum Outcomes please visit this link: <http://www.mich.gov/mde/0,4615,7-140-28753---,00.html>

### **ASSESSMENT INFORMATION:**

In addition to the assessment data in this Annual Education Report, listed below are percentages of students at Central Elementary meeting benchmarks or proficiency in a variety of local assessments that are given.

Note:

- DIBELS (Dynamic Indicators of Basic Early Literacy Skills) - Composite – benchmark is determined by grade level and time of year. DIBELS was not administered at all elementary grade level this year.
- STAR Math and Reading – If a student has a Percentile Rank (PR) above 40, then they have met the benchmark.
- NWEA: The Northwest Evaluation Association, also known as MAP testing, is an evaluation test to see where a student is academically. The district began using this as an assessment tool in 2018-19.

	<b><u>2018-2019</u></b>	<b><u>2019-2020</u></b>	
<b><u>Assessment</u></b>	<b><u>Percent Proficient</u></b>	<b><u>Percent Proficient</u></b>	<b><u>Grade</u></b>
DIBELS (Reading)	75%	NA Due to COVID	1
DIBELS (Reading)	84%	NA Due to COVID	2
NWEA (Reading)	60% (NWEA)	NA Due to COVID	1
NWEA/STAR (Reading)	56% (NWEA)	NA Due to COVID	2
NWEA/STAR (Reading)	66% (NWEA)	NA Due to COVID	3
NWEA/STAR (Reading)	65% (NWEA)	NA Due to COVID	4
NWEA (Math)	69% (NWEA)	NA Due to COVID	1
STAR (Math)	59% (NWEA)	NA Due to COVID	2
STAR Math	60% (NWEA)	NA Due to COVID	3
STAR Math	56% (NWEA)	NA Due to COVID	4

### **PARENT-TEACHER CONFERENCE INFORMATION:**

- Central Elementary had 90 percent of parents attending Fall 2019 parent teacher conferences. We

## **Central Elementary**

were unable to hold Spring 2020 parent teacher conferences due to COVID-19. For Fall 2019, 88 percent of parents represented male students while 93 percent were parents of female students. Thank you for taking the time to read this Annual Report.

Christine Kuzinski, Principal
