How to Access Student Technology Information in ParentVUE/StudentVUE

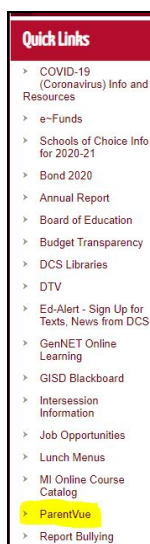

Before you start, if you have never set up a ParentVUE/StudentVUE account before please email a request for an Account Activation Key by selecting the email button at the top of our website. Please identify your student's name(s) and the school(s) they attend.

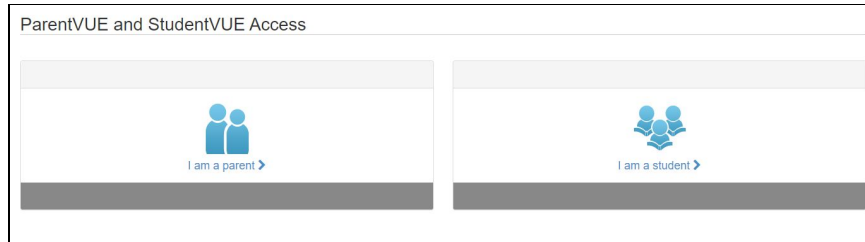

If you have forgotten your VUE account information, you can still follow the instructions below.

Navigate to www.davisonschools.org

Select ParentVUE in the Quick Links section on the left hand side.

Select "I am a Parent" or "I am a Student":

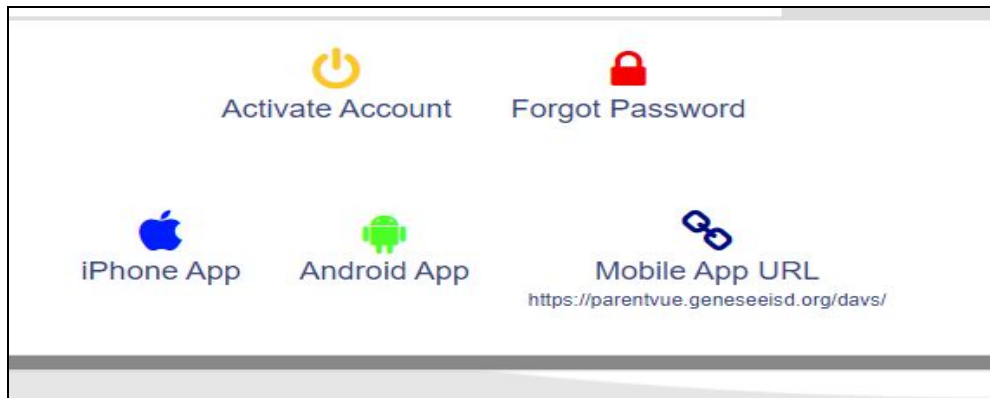

Enter your User Name and Password and click "Login":

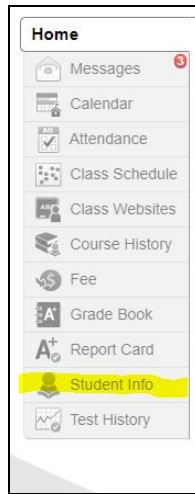

A screenshot of a login page for "DAVISON COMMUNITY SCHOOLS". The page has a header "Login" and the school name in purple. Below the header are two input fields: "User Name:" and "Password:". The "User Name" field contains a blue redaction mark. The "Password" field contains a series of dots. To the right of the password field is a yellow button labeled "Forgot Password". Below the input fields is a blue "Login" button. At the bottom right is a yellow button labeled "More Options" with a downward arrow.

(If you already have an account, but forgot your password, you can click the link below the Password field. This will send you an email with instructions to reset your password.)

The "More Options" drop down menu below the Login button will allow you to do any of the following:

Select the "Student Info" icon in the Home section on the left hand side. If you hover over the icon it will display Student Info.

At the bottom of the Student Information screen you will see Student E-Mail and Tech Password. This is the information each student needs in order to login to a district Chromebook or PC.
