

To View Grade Book in ParentVUE or StudentVUE

Revised: 11/6/20

ParentVUE/StudentVUE mobile app which is accessible through your phone or tablet is not currently functioning properly to allow users to create new accounts, change passwords on existing accounts or view the grade book. We have reported this issue to the software vendor and unfortunately do not have an estimated date for this to be fixed. Parents and students are still able to view gradebook, create new accounts and change passwords in ParentVUE/StudentVUE if they **use a Chromebook, personal computer or laptop.**

Students in grades 5 – 12 have grade book available in ParentVUE/StudentVUE. Elementary students are evaluated by benchmarks and do not have a cumulative grade throughout the marking period/semester.

Navigate to our school district website: www.davisonschools.org

Select the ParentVUE link in the Quick Links Menu
