Important information about BIRTHDAY CELEBRATIONS

We all know that birthdays are important to every child and that kids like to celebrate with their classmates. We want to acknowledge your child's special day and celebrate with them!

Unfortunately, many of our students have food allergies, medical conditions and dietary restrictions that exclude them from participating when edible treats are brought in for a birthday celebration. Davison Schools wants to make sure we have protocol in place to include ALL students in these celebrations. **The District no longer allows food to be brought in for birthday celebrations.**

We would like to offer some alternatives of food treats for your child's birthday celebration at school. In many cases, these are a cost effective option to purchasing cupcakes at the store.

Some of these ideas might include:

- Party favors like stickers, erasers, notepads, bubbles, pencils, playdough, etc.
- Arrange with the teacher for a possible 'virtual' guest to read to the class in honor of your child's birthday
- Ask the teacher to take the students outside for an extra recess in honor of your child's birthday
- Send in something that all the kids can sign, like a large card, sweatshirt, pillowcase, etc. as a special treat for your child
- Have your child bring in something special for show and tell on their birthday

These are just a few ideas! See what you can come up with and be sure to contact your child's teacher prior to their birthday to make arrangements!

We look forward to celebrating your child on their special day! Thank you for your assistance as we work together to celebrate your child's special day with their classmates.

Each week we will be incorporating different character traits into our daily lessons here at school.
