Gates Elementary

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-2016 educational progress for Gates Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Principal Theresa Wendt for assistance.

The AER is available for you to review electronically by visiting the following website: <https://goo.gl/t54O0R> or the district's website at www.davisonschools.org, or you may review a copy in the principal's office at your child's school.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases no label is given.

Our school was identified has not been given one of these labels.

The key challenges for the school are in large part due to the change in the state assessment this year and the lack of guidance in trying to decipher test results and using that assessment data to impact student achievement.

Key initiatives under implementation to accelerate student achievement include:

- School Improvement Process
- ACC—Understanding By Design model for the development and revision of curriculum.
- Standards Referenced grading initiative.
- Data Days
- Building and District Professional Learning Communities by Grade Level and/or Subject Matter
- Literacy Intervention Program
- Math Interventionist
- Challenge Coordinator (Behavior Interventionist)

State law requires that we also report the additional information:

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL:

Gates Elementary

The District is a “schools of choice” district in that there are no set school building boundaries within the district. Any child living within Davison school boundaries can attend any school within the district at the student’s grade level. Davison Community Schools also participates in the state of Michigan’s 105 and 105c Schools of Choice programs, which provides students living outside district boundaries opportunities to attend Davison.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN:

In 2014, Davison Community Schools was awarded renewal of District Accreditation as a quality school system by the AdvancED Accreditation. Davison was one of the first school districts across the state to complete this rigorous process in 2009. Accreditation is a process that has to be renewed every five years. We will have our next district visit in 2019.

A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL:

All of our school buildings offer a quality education and are unique in their own ways.

- Davison High School: Houses approximately 1,600 students in grades 9-12.
- Davison Alternative High School: Specializes in credit recovery for students in grades 9-12.
- Davison Middle School: Houses seventh and eighth graders.
- Hahn Intermediate School: Houses fifth and sixth graders
- Central Elementary: First through fourth graders and the district’s gifted and talented program
- Gates Elementary—Houses first through fourth graders
- Hill Elementary—Houses Kindergarten through fourth graders
- Siple Elementary—Houses Kindergarten through fourth grades
- Thomson Elementary— Houses Kindergarten students

CORE CURRICULUM:

The State of Michigan requires that all students enrolled in public school districts receive daily core curriculum instruction in language arts, reading, English, math, science and social studies. Davison Community Schools, being in full compliance with state requirements, offers daily core curriculum instruction which meets or exceeds state requirements in all areas. The district has developed and implemented outcomes for kindergarten through 12th grades which reflect the state Core Curriculum guidelines. The content of these guidelines is based on “. . .an effective program which fosters the development of a well-rounded literate individual.” The district’s Advisory Curriculum Council, an ongoing group made up of board members, teachers, and administrators reviews each of the core areas on a six- to eight-year cycle. Additionally, student achievement is monitored in each of the five core academic areas by standardized achievement tests, teacher developed tests and MEAP test results. Gates Elementary

Points of Pride

Academic Points of Pride

- Based on DRA2 data, 88% of Gates students finished the school year at or above grade level in reading.
- Gates continued as a Schoolwide Title 1 school for the 2015-2016 school year.
- The Schoolwide Title 1 Reform Model had paraprofessionals helping classroom teachers cover Tier 1 curriculum while teachers worked with struggling students needing Tier 2 interventions.
- Gates staff continued participation in Professional Learning Communities (PLCs) focusing on what students needed to know; how to know if students had mastered the material and what steps to take for those students who had not mastered grade level content expectations.
- Gates staff utilized a data room enabling them to keep an eye on student progress and growth in reading and math.
- Gates staff held 5 “Data Days” over the course of the school year. This time was spent digging into data, making plans for student instruction and talking about interventions which need to be implemented for students presently below grade level as well as enrichment activities for those students at or above grade level. Grade level teachers met with the principal, literacy specialist and special education staff during the data day meetings.
- All staff attended over 30 hours of professional development during the course of the school year.
- Academic progress in reading and math continued to be monitored using DIBELs Next, DRA2 and Star Math.
- A Literacy Specialist and Challenge Coordinator provide both academic and behavioral support to students.
- First grade students took a field trip to the Seven Ponds as part of their animal live science unit.
- Second grade students participated in an economics fair in which students were both consumers and producers.
- Second grade students took a field trip to the Davison Fire Station during Fire Safety week in October and a trip to Kitchen School in June to learn about the history of our community.
- Third grade students took a field trip to the Sloan Museum to add to their learning on Sound and Light.
- Fourth grade students took a field trip to the State Capital as part of their unit on government.
- All students participated in grade level musical productions demonstrating skills they had learned in music class.
- Local law enforcement officers presented T.E.A.M. Lessons (Teaching, Educating and Mentoring) to second and fourth grade students
- Students participated in Pick the One Book Day, put on by the PTO, giving each student a free book three times over the course of the 2015-2016 school year.
- Gates staff kicked off the 2015-2016 Summer Reading Challenge with a book distribution in which students were allowed to select two books to start them off on the challenge.
- Fourth grade students were reading buddies to first grade students.
- Tutoring was provided for struggling students once a week after school for the school year.

Gates School Community Points of Pride

- Gates PTO, staff and students celebrated “Popcorn Friday” twice a month. Popcorn was sold to students and staff, spirit wear was worn and when “Lucky Cardinals” were found, prizes were given.

Gates Elementary

Points of Pride

- Gates students and staff participated in the annual Gates Gait Walk-a-thon Fundraiser by wearing their school shirt and walking, dancing and moving about the track to music provided by a local DJ. Students raised \$7,461.43. In the spring, students were invited to sell Savory Foods Cookie Dough and raised almost \$25,000.
- Students shopped for family and friends at the PTO-sponsored Santa's Workshop in December.
- Gates helped in the collection of pop tabs donated to the Ronald McDonald House. Gates students helped Davison Community Schools become part of the "Million Tab" club and are working to increase that number.
- Gates students collected over 1,868 items for the Cool to Care Food Program.
- Student Ambassadors introduced new students to the building by introducing those students to their teachers, giving a tour of the school, making sure students had friends and that the transition to a new school went smoothly.
- More than 1663 perfect attendance tags were handed out (through May) during the 2015-2016 school year. This averaged to 185 students per month, or 32 percent of our students, who were in attendance from 8:35 a.m. to 3:40 p.m. each day.
- More than 1614 Cardinal Code tags were earned during the 2015-2016 school year. Students earned tags each marking period for receiving all 1s on their report card for consistently following the Cardinal Code.
- Students and staff participated in the Crim Walking Club and logged more than 2800 miles.
- Men and women from a local church were paired with students to mentor and encourage student behavior and academics.
- Staff implemented *Meaningful Work for 4th Grade Volunteers*. This program allowed students to volunteer their time before school, throughout the day as well as after school doing various work such as morning announcements, recycling, teacher assistants, mail sorter and computer manager.

Parent Involvement Points of Pride

- Classroom and building newsletters were sent home weekly to all families.
- Parent Teacher Conferences were offered three times over the course of the school year as well as two Schoolwide Title 1 meetings.
- More than 171 volunteers were recognized in April 2015 for donating their time to Gates students.
- Gates continued participation in the Watch D.O.G.S. program. Fathers, grandfathers, uncles and brothers volunteered one day to be a Watch D.O.G. at school. Their time was spent in classrooms working with students, on the playground playing and assisting with student drop-off/pick-up and busses.
- Gates participated in a "One School, One Book" program where all students and staff members, including bus drivers, custodians, food services, paraprofessionals and secretaries, read "Holy Enchilada" Special activities related to the book and its setting was held during the month of February and a Family Fun Night culminated the event with more than 550 in attendance.
- Gates staff held a combined Open House and Curriculum Night early in the fall to welcome all families to Gates.
- Gates students, staff and parents developed a compact which showed their commitment to working as a team to best meet the educational needs of Gates students.
- Parents and support staff were added to the list of stakeholders involved in developing, implementing and evaluating the Gates School Improvement Plan.
