

Dear Developmental Kindergarten & Kindergarten Students,

Hello! We want to welcome you to Thomson Elementary. We are going to have a great year together and you are going to learn a lot.

We will have all the things that you will need for kindergarten. However, if you decide to purchase some of your own supplies, here is a list of things that you may want to have of your own:

- a backpack or bag to carry your things to and from school (please no wheels & be sure it is big enough for a folder)
- glue sticks
- a box of tissues
- a pencil box for holding your school supplies
- a box of crayons (24 count would be perfect)
- a set of colored pencils (12 count would work great)

There is one item you will want to have of your own...a mask. You will wear your mask while in the hallways, office, or on the bus. You will not have to wear your mask in your classroom or at recess, but you can if you'd like. Your mask should fit properly and you will want to practice wearing it at home if you haven't already.

Some helpful hints for you:

- We have a snack break every morning. Please bring a healthy snack, such as fresh fruit, graham crackers, crackers & cheese, etc. You will only need to provide a snack for yourself. If you forget your snack, we will have one for you.
- Please print your name on your backpack, school box, and all of your other belongings.
- Money for lunch, milk, etc. should be carried in an envelope with *your name and room number on it.*

We hope you are having a fun summer! We can't wait to meet you!

See you soon,

Thomson Elementary Teachers
